

Olio Extravergine di Oliva

The Azienda Verbena produces a limited quantity of extra virgin olive oil due to a policy of reducing the quantity of fruit harvested from our Leccino and Frantoiano varieties.

This policy improves the end quality and in turn produces an extremely high grade extra virgin olive oil to be prized throughout the world.

During the month of November, the entire family of the Azienda lend a hand at the olive harvest using their knowledge, experience and the same implements as generations past. The extra virgin olive oil from the olive grove of Azienda Verbena is delicate, has a quality of freshness, and is superb used as a condiment

With your salads and vegetables, meat and fish.
